

Tall mini-cake container

Pactiv's 6.25" Tall Mini-Cake Container is the perfect solution for cakes that require additional space for icing and specialty decorations. The Clear APET Dome remains securely closed, providing excellent visibility for 360-degree merchandising, while reducing the risk of product tampering. Cakes can be frozen in the container, and stored for future decorating projects. The Tall Mini-Cake Container is the ideal way to cleanly merchandise decorated specialty cakes.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
