

# PACTIV

## *Translucent*

### DRINK CUPS

Translucent Drink Cups

**PACTIV**

Foodservice / Food Packaging

## Feature Benefit

**Extraordinary Value** Cups have the strength and durability you demand at a price you desire.

**Efficient Design** Precision rolled rims offer smooth drinking and a leak resistant seal for the lid.

**Easy to Hold** Raised sidewalls offer a "no-slip" grip.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
