-  *Pactiv uses up to 75% recycled content in its production.*
-  *Pactiv manufactures Clamshells in 4 U.S. locations and Mexico, with the ability to warehouse in 10+ nearby locations. Our regional self-sufficiency reduces the need for long hauls, resulting in greater transportation energy efficiency.*
-  *Labelling resources (including Trace) are strategically located in East and West coast.*
-  *Pactiv products are “often imitated, never duplicated” as many Clamshells in the industry have evolved to look like ours. Please ask for Pactiv by name!*

PET (-20°F/-29°C - 120°F/49°C)

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier’s recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
