

# ClearView™ SmartLock® Hinged Bakery Container

Pactiv introduces the New ClearView™ SmartLock® small Bakery and Pastry Container. This container provides a fast, single closure mechanism for display case or convenience applications. One lock facilitates opening of the container by consumers and its hinge allows prolonged durability to open and close on the go. The container's edge seats securely to prevent spilling of product in transit, protects bakery items and helps maintain freshness. The container provides excellent clarity and complete visibility of product. This facilitates operator verification of purchase and helps to merchandise bakery items. The ClearView™ SmartLock® Bakery and Pastry Container from Pactiv sets the standard in bakery applications.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
